

## **Worcestershire Marble**

### Worcestershire Marble Limited Timeless Craftsmanship. Modern Innovation

For over 30 years, Worcestershire Marble Limited has been handcrafting exquisite, bespoke marble fireplaces from the heart of the Worcestershire countryside. We are proud to source only the finest quality materials from carefully selected suppliers across the globe, ensuring our customers benefit from an unrivalled selection of premium stones and finishes.

#### **Innovation Meets Tradition**

Our passion for innovation drives the continuous evolution of our fireplace designs, materials, and profiles. Whether you're seeking a classic centrepiece or a sleek, contemporary finish, we offer one of the widest ranges in the industry—constantly updated to reflect new design trends and the latest in fire technology. Using cutting-edge fabrication processes, we create surrounds that are as functional as they are beautiful. Our latest designs are a testament to our craftsmanship and vision for the future of fireplace design.

#### **Introducing Our Latest Designs**

We are delighted to present several exciting additions to our collection:

#### The Formby

A bold, low-profile fireplace with a minimalist, chunky design – perfectly suited for landscape fires.

#### Vantage and Vanquish

Groundbreaking suites in Sintered Stone, available in virtually any colour. Perfectly suited to complement electric fires or customised to a completely bespoke design.

#### The Modena

A contemporary, minimalist surround with clean lines and understated elegance.

#### The Naples and The Kenilworth

Modern designs that blend bold styling with timeless appeal.

#### The Verona

A low-profile surround with a distinctive two-tone finish, ideal for modern living spaces.

#### **Sintered Stone:** The Future of Fireplace Design

Our newly launched Sintered Stone collection is not only visually stunning but also exceptionally durable and heat-resistant - making it the perfect material for Heat Shields behind wood-burning or multi-fuel

These heat shields aren't just practical; they're designed to enhance your living space with a refined, modern aesthetic. Each panel is crafted to elevate the visual impact of your stove, adding elegance without compromising on safety or functionality.

To complete the look, we've introduced coordinated packages that include matching Chambers, Hearths, and Beams - a brand-new concept in fireplace design. This innovative offering allows you to achieve a fully harmonised interior style, with every element designed to complement the others seamlessly.

#### **Enhance with LED Lighting**

We also offer LED lighting solutions that bring warmth and sophistication to your fireplace. These lowvoltage, energy-efficient lights come with an infrared sensor on/off switch for effortless use. Neatly integrated into many of our surrounds, the LED lighting adds ambience and highlights the natural beauty of the materials - while also being kind to the environment thanks to their long lifespan and minimal energy consumption.

#### **Experience the Art of Fireplace Design**

Whether you're renovating your home, designing a new space, or searching for a one-of-a-kind centrepiece, Worcestershire Marble is your trusted partner in craftsmanship, quality, and innovation. Bespoke design is our specialty. We can create any surround in any size or colour - simply find a design you love, and we'll tailor it perfectly to suit your fire or stove.

Explore our full range and discover how we can bring your vision to life.

#### **Electric Suites in Sintered Stone**

Sintered Stone, also known as ultracompact or porcelain, represents the pinnacle of engineered surface materials. Boasting non-porous, highly scratch-resistant, and heat-resistant properties, it's the ideal choice for fireplaces. Its versatility shines through a plethora of colours, patterns, and finishes, catering to any design preference, be it modern or traditional. Crafted under rigorous conditions, it withstands extreme temperatures, ensuring durability and safety. Available in various thicknesses, from 6mm to 20mm, it's suitable for diverse fireplace applications, including media walls, heat shields, hearths, and surrounds. Elevate your fireplace with the unmatched performance and aesthetic appeal of sintered stone.

## <sup>™</sup>**Vanquish** ▶

Vanquish shown in Statuario Reale. Surround can be modified to suit different fires.

Indulge in the epitome of refinement with our floor-standing panoramic fireplaces. Fashioned from premium sintered stone, they harmonize elegance and technological prowess flawlessly. Elevate any space with their commanding presence and sleek design, enhancing your living environment with unparalleled beauty and versatility

Vantage shown in Oxford Grey. Surround can be modified to suit different fires.

Discover the epitome of elegance with our wall-mounted fireplace suite, crafted for those seeking to maximize space without compromising style. Manufactured in sintered stone, they offer a seamless fusion of sophistication and cutting-edge technology. Make a statement in any room with their striking presence and sleek design, elevating your living space to new heights of unparalleled beauty and functionality.

All of these materials have one special feature in common – each piece is unique. This means that there will be minor variations and visible fossils, veins and vents (little holes) appearing here and there. This is the beauty of a natural material and this range of products is aimed at those who understand the uniqueness of natural stone.

#### Suite Dimensions

Whilst every effort has been made to ensure the accuracy of the product specifications are correct errors do sometimes occur. We continually develop our products through design as such specifications may change without notice.

All of our fireplaces can be made in any size and from the majority of materials, so your fireplace is truly bespoke. Sizes are for guidance only, if you require any specific size please contact your local stockist.

#### www.worcestershire-marble.co.uk

#### **Worcestershire Marble Limited**

All products shown are suitable for gas and electric fires. Soild fuel variations are available upon request. Always use a registered gas installer and registered electrician. Images are the copyright of Worcestershire Marble Limited.

Fires shown are for illustration purposes.

Actual product may vary due to product enhancement.

Please check with manufacture to confirm suitability and specification.

Colour and shade reproduction is as accurate as the printing process will allow.

The full range of colours can be viewed at your local Worcestershire Marble stockist.

Sizes are for guidance only, if you require any specific sizes please contact your local stockist.

Your chosen fireplace should reach you in perfect condition. Nevertheless, we wish to advise that you inspect it for any defects prior to installation, since we accept no liability once it has been installed.

Worcestershire Marble reserves the right to alter or withdraw any marble fireplace without notice.
